### *Eyes of One's Heart to See*

*If you are looking for God, look around you. That is one of the core ideas of Ignatian Spirituality: God can be found in our everyday world, in the mundane and routine, in the exciting and the unexpected... Ignatian Spirituality emphasizes God's nearness.*

## THE POPE'S MONTHLY INTENTIONS FOR 2025 (March)

### *For families in crisis*

We all dream about a beautiful, perfect family. But there's no such thing as a perfect family. Every family has its own problems, as well as its tremendous joys. Every member of the family is important because each member is different than the others, each person is unique. But these differences can also cause conflict and painful wounds. And the best medicine to heal the pain of a wounded family is forgiveness. Forgiveness means giving another chance. God does this with us all the time. God's patience is infinite. He forgives us, lifts us up, gives us a new start. Forgiveness always renews the family, making it look forward with hope. Even when there's no possibility of the "happy ending" we'd like, God's grace gives us the strength to forgive, and it brings peace, because it frees us from sadness, and, above all, from resentment. Let us pray that broken families might discover the cure for their wounds through forgiveness, rediscovering each other's gifts, even in their differences.
